Bridge Inspection Saturday on Irving Park Road over I-290

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a routine bridge inspection will take place on the structure that carries Irving Park Road (Illinois 19) over Interstate 290, in Itasca, weather permitting, Saturday, Feb. 11.

In order to complete the bridge inspection, moving lane closures will be necessary on Interstate 290 under Irving Park Road from 6 a.m. to 11 a.m. At least two lanes will remain open to traffic while work is taking place.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
